

AP TRAFFIC SERVICES, INC.

AP Traffic Services, Inc. is a Sacramento based company specializing in traffic control in northern California. Our team includes ATSSA (American Traffic Safety Services Association) certified traffic control supervisors, technicians and flaggers, as well as OSHA (Occupational Safety and Health Administration) qualified QC/QA personnel and traffic safety trainers.

We design and implement temporary traffic control. AP Traffic Services' crews are experienced in all aspects of traffic control including,

- flagging
- lane closures
- lane shifts
- road closures
- detours
- traffic safety

We have more than 25 years of expertise in the construction industry including 20 years of traffic control experience.
